Pool play games and quarterfinals are to 13 (win by two, point cap at 15, except in cap).

Time-outs: One per half plus one floater. No timeouts in the time cap. However, if a timeout is erroneously called in the time cap, it is not a turnover.

The game continues after a check, as if there was no call. There is exactly one time out during overtime for each team, regardless of how many time outs they have used or have left.

SUNDAY

For all Sunday games, the winning team keeps or inherits the higher rank of the two teams for subsequent round(s). (The losing team gets the lower rank.)
